What a Great Start!

This week has been a great start to a new academic year. The children have come back focused and ready to learn. We have been particularly impressed with the high standard of presentation of work we have already seen and look forward to this continuing throughout the year.

Welcoming New Faces

It has been lovely to welcome our new children into Reception this week. They have already shown that they are all eager to learn and we look forward to taking them on an exciting learning journey!

We would like to officially welcome Miss Lunn who is the new teacher for Class 3.

Whilst Mr Jones is not new to school, he is taking on a new role. Last year Mr Jones worked for us as a PE apprentice but we are delighted to say that he has decided to remain with our team and is now our dedicated sports teaching assistant. We're looking forward to entering (and hopefully winning) many sporting events!

New equipment

A huge thank you to the PTFA who have purchased our new Smart TVs which were installed in the summer. The children have been incredibly impressed by them as they no longer need to turn the classroom lights out to see the board. The children's learning experiences have really been enhanced!

Harvest Assembly — 20th September - 9am

Please come and join us for our Harvest Assembly in which each class will perform either a Harvest song or Harvest poem. As part of our community spirit, we will also be inviting the local residents in for this assembly and will be providing coffee and cake afterwards.

As with last year, we welcome donations of non-perishable food which will be donated to the local foodbank. Please bring these in from Monday 17th September in shoe boxes.

Dates for your diary

Sporting fixtures are being scheduled and information will follow regarding teams and dates.

September

15th Garden show - scarecrows

20th Harvest assembly

October

19th Individual & sibling photographs

November

7th Flu vaccines

Dates for the rest of the term will be confirmed in next week's newsletter.

Transforming Classes, transforming Learning!

The teaching staff worked incredibly hard during the school holidays transforming their classrooms and I think the children would agree that they look fantastic!

In addition to this, Mrs Camp, Mrs Fox and Mr Fox also worked tirelessly to ensure all areas behind the scenes were given the attention they needed.

I'd like to take this opportunity to thank them for taking the time to do this.

Coffee Mornings

Half-termly coffee mornings will be held throughout the year for you to come and share your thoughts and ideas about the school with Mrs Badham. Dates will be published in the next newsletter.
