School Councillors

Thank you for allowing your children to come to school in their pyjamas and onesies last week. We wanted to raise money for a new behaviour card system for all the classes. We have raised £92.00 so far but we're not quite there. If you forgot to send your money in, it's not too late please go into the office and give your money to Mrs Fox. Thank you.

Amelia M, school councillor communications officer.

Meeting with the MP

The school councillors will have a very special meeting next week as they will be meeting with our local MP, Bim Afolami. This is a great opportunity for them to ask questions and gain a better insight into life as a member of parliament. If your child has a question they would like to ask Bim, please write it down and ask them to hand it to one of their year group council members who will then take it to the meeting.

Open Morning

We held our open morning today for new 2019 reception parents. We were delighted with the turnout and have received some really positive comments about our school and your children.

We would particularly like to thank the year 5 and 6 children who were chosen to show the parents around. They were confident, polite, knowledgeable and clearly very proud of their school. One comment received was, "Renee and Foden did an excellent job with the tour and were full of information, incredibly polite and well spoken." Another parent said, "What fabulous children. They were amazing."

#Floss4Funding

Friday 19th October will be the **School Cuts National Day of Action**. At a national conference of parents it was decided that the theme for the National Day of Action would be **#floss4funding**.

The idea is that schools, parents and members of the wider community organise their own floss performance, film it, and then upload the clips to social media on the 19th of October, to raise awareness of the funding crisis in schools.

As a school we will be taking part, if parents would also like to join in, we plan to film our version on Thursday 18th straight after registration—you are very welcome to wait and then join in! Further information will follow next week.

Keeping Our Roads Safe

I have been asked to mention the speed at which some cars drive through the village. The pavements in some areas of the village are quite narrow and cars driving above the limit pose more of a threat. If you are walking on the pavements, please be mindful of this and if you are driving through the village, please respect the speed limit—we all want to keep our children safe.

Publicity Evening

We are arranging a meeting to discuss publicity and marketing of our school. It is really important that we are visible in the local and wider community and that the good work that is being done is promoted.

We expect this to take place in early November but will send more information nearer the time.

Sporting Achievements—Well done girls!

On Saturday 29th September, a group of 10 girls travelled to Wilshere-Dacre Junior Academy in Hitchin to participate in the Girls' Early Season Football Rally. We played 6 games, of which we won 2 and drew 4. After the last match, one of our team members said, "It was great that we didn't let in a goal. We worked well as a team even though this was our first competition together." Another commented, "Today was really fun but we should work on passing more to help us win!". Together the girls all worked very hard and most importantly, they HAD FUN!

On Wednesday 3rd October 2018, 9 Girls ventured to St. Ippolyts C of E Primary School to play in the 1st Round of the WIX Cup. The game was a very tense match, which finished 1-1, resulting in a penalty shootout. The penalties went to sudden death where Breachwood Green were victorious after 7 penalties. With our goalkeeper saving 5 out of the 7! After the game, the girls said, "I am really happy that we won, we passed well all game and everyone tried their best". "I loved the penalty shootout! But for next time, we need to work on our shooting so that we can win the match without penalties. It was tense!" The team also agreed that we must communicate more effectively so that everyone understands their role a bit better. Bring on the next round!

Congratulations

Last week Noann was selected to represent Team Luton Swimming club at a swimming gala. He swam in the 200m front crawl race and came second in his age group. He got a fabulous silver medal which he showed to the school in assembly. Well done Noann!

Well done to the following children who have earned Mathletics certificates recently:

Drumming

Class 3 and Class 4 have had the fantastic opportunity of learning to play the djembe drums this term. It is great to see how well they have all progressed in such a short space of time; for Class 3 it has been learning from scratch and for Class 4 it has been about developing the skills they learnt two years ago.

As a finale to their sessions, we would like to celebrate with a performance to parents on Wednesday 24th October at 2.45pm. Parents of children in Class 1 and 2 are invited as well.

Please note that it will be a loud performance which some toddlers may not enjoy.

Harry Potter and the chamber of secrets

By Micah

This book is about a young wizard called Harry who attends the magical school, Hogwarts. This is the second book in the series and starts where Harry meets a house elf called Dobby. He warns him not to return to his school because dangerous things will be happening. Harry ignores the warning and returns to school where he soon discovers that children start to become petrified by an evil snake. Harry and his best friends, Ron and Hermione, try and save the day.

I like this book because it is funny and magical. I definitely recommend that everyone should read this book.

There is only one thing wrong with it; you can't put it down!
