Look & Learn Morning

"I'm amazed at the children's capabilities and the levels at which they learn."

We had a great turn out for our Look and Learn Morning on Thursday 15th November and the children thoroughly enjoyed showing off their maths skills to the parents.

Thank you for taking the time to complete the questionnaire at the end of the session; I am extremely pleased to say that 100% of parents found the session useful and 85% of parents are pleased with the progress their child is making.

A number of parents have asked for parent workshops which we hope to develop in the Spring Term.

"Good session. well explained and high standard of work and input from children."

The New Behaviour Policy

On Wednesday this week, the school councillors met to discuss the new behaviour policy. They discussed the new Good to be Green system so that we could have a consistent approach across the school.

For example:-

1. Swinging on your class chair - Stop & Think Card
2. Continuous talking when a child has already been asked to stop – Orange Card
3. Rude or disrespectful, extremely bad behaviour – Red Card

Teachers will ring home when a child gets a red card.

These are some of the thoughts we have had and which we will begin to trial next week. We will keep you updated. **By Amelia M**

School Disco

Thank you to everyone who came to the disco last week. The children (and adults) clearly had a great time and were really well behaved—it was lovely to see so many of you there. Thanks to the PTFA for organising and running the event and to the parents who helped set up, stayed to help and cleared up at the end. It is much appreciated.

Thanks also to Disco Dave !

Road safety

A reminder that whilst driving through the lanes and through the village you often pass horses with riders.

Please do slow down and pass the animals with care.

Horses can become spooked by fast cars or loud noises which they are not expecting, and this can lead to accidents and injury to the animal, the rider and to cars and their passengers.

As winter seems to be well on the way a reminder that the lanes can be slippery with rain, ice and leaves.

Please drive carefully and safely.

Table Tennis

On Wednesday 14th November, three year 5 boys and one year 6 boy participated in the U11 Boys District Table Tennis Competition at Marlborough Science Academy in St. Albans. The boys were part of a league in which they finished in 3rd place.

Quotes from the boys after the event included:

"Today was fun because I got to play several different matches against different schools."

"My favourite match was the one where I won 7-0!"

"To be even better next time, I would like to improve my serves".

Over the last fortnight, 43% of the children at Breachwood Green School achieved certificates. This a fantastic achievement—you should all be very proud. Keep up the hard work!

Football

On Tuesday 13th November, seven Year 5 and 6 girls played at King's House School in Luton. The match was a chance for the girls to play football in the format of 5-a-side for the first time together. We drew 2-2 after a tense match in which we dominated the possession. After the game, the girls told us:

"It was really unlucky to let a goal in literally the last 5 seconds!"

"It was a smaller pitch than usual but we played well as a team. We communicated well which was something we were aiming to improve."

Diary of a Wimpy Kid series by Jeff Kinney

Having read all of the The Diary of a Wimpy Kid books, I can't choose a favourite because they are all funny. I like them because they are all different, each book is about a different event for the main character, so the original book is about Greg, starting middle school but the last book is about Greg going on holiday. I would recommend these books to children in year 4 and above. **By Max.**
