

Breachwood Green

Newsletter

Friday 21st December

Merry Christmas

Another great term for everyone at Breachwood Green School!

Thank you for your continued support towards your child's learning. It is evident through the work in the children's books and their positive attitude to learning that we are making good progress as a school.

Thank you to the PTFA for their hard work with fundraising events this term. In today's assembly, Mrs Chamberlin announced that approximately £1200.00 has been raised this term—what an achievement!

Fundraising is invaluable to the school and couldn't happen without your support— thank you!

An out of this world Christmas

Our school performance this year was amazing as always! The children worked hard and put on four fantastic performances. Thank you again to all of you for producing super costumes and supporting your children to learn their lines and song words.

Uniform

A reminder that the amended uniform policy begins in January. Details were in last week's newsletter. If you have any queries then please email the office. Emails will be checked periodically during the holidays so please allow a few days for a response.

Milk

Milk is available for all children in school but it must be ordered via our supplier Cool Milk. Once reception children turn 5, if you would like them to continue having milk you will need to order and pay for it via www.coolmilk.com

Once you register with them you can make payments directly. Please note that milk orders should be placed by 5pm on the Monday week prior to term starting to ensure milk is delivered.
