Packed Lunch Boxes

Eating well is important. Children need to eat well as it will give them energy and nutrients to grow and develop, be healthy and active. A healthy, enjoyable lunch gives children the energy they need to learn and play at school.

Please ensure you provide your child with a healthy, well-balanced lunchbox. Treats may be put into lunchboxes but please restrict this to one small snack a day e.g. a chocolate biscuit—no sweets please.

Mr Jones

Good news! Mr Jones is at home and recovering well after his recent illness. We hope to see him back in school after half term.

Team News

Well done to our Class 4 Girls and Boys football teams and our Tag Rugby team who have all competed recently. Reports from the games and competitions will be included in the Sports newsletter when Mr Jones returns.

Weather

When we return after half term, winter will undoubtedly have arrived. Please remember that children **must** have a coat everyday as well as hats and gloves. Please ensure everything is named; valuable time can be spent looking for a glove! In wet/snowy weather children can wear wellies but will need a change of shoes for inside please.

If school is closed due to snow, the first means of communication is a message sent out on Everbridge—we encourage you to sign up to the Everbridge notification system: <https://member.everbridge.net/index/892807736725489#/login>.

Messages will also be put on the Facebook page and sent out by text message.

Accelerated reader

A reminder of our reading evening on November 12th. This will be an opportunity to learn more about how you can support your child with their reading progress at home and will give you a deeper insight into accelerated reader.

Occasional Day

Each year the school have to allocate an occasional day. For this academic year it will be on Friday 3rd April. Therefore school will be closed on this day.

Parent Governor Vacancy

Governors play a vital role in the school as they are responsible for making sure the school provides a good quality education for all pupils. They work closely with the headteacher to raise educational standards.

A vacancy has arisen for a parent governor so and a letter has been sent out asking for nominations. If you are interested in this position or would like to know more, please contact Mr Tim Starkey (Chair of Governors) at tstarkey@breachwoodgreen.herts.sch.uk or via the school office.

Open Morning

We look forward to welcoming you to our open morning on Tuesday 19th November from 9:00—10:00am.

As part of 'Feeling Good Week', we thought it would be a good opportunity to showcase our new PSHE Scheme (purchased by the PTFA).

If you have more than one child at school, we recognise that you would like to experience this in different classes and therefore would encourage you to spend a little bit of time in each class.

Pumpkins

Class 3 have had a great afternoon learning about the significance of pumpkin carving for Halloween.

They have designed the spooky faces for their pumpkins and then scooped out and carved the pumpkins. They also made posters to teach the Reception children about the history of Halloween.
