

Behaviour Statement

At Breachwood Green School, we believe that children need to recognise their responsibility for their own behaviour within a structured environment of high, yet realistic expectations. We encourage children to make the right choices about their behaviour. We develop this awareness by praising, modelling and rewarding appropriate good behaviour.

Our aims are:

- to encourage a whole school approach to behaviour and discipline;
- to promote positive behaviour and good relationships;
- to develop a moral framework within which initiative, responsibility and sound relationships can flourish ;
- to enable children to develop a sense of self-worth and a respect and tolerance for others;
- to produce an environment in which children feel safe, secure and respected;
- to reduce the likelihood of inappropriate behaviour;
- to create an awareness of rules, rewards and sanctions agreed by all members of the school community;
- to promote care and respect for others, encouraging positive relationships;
- to teach children how to make the right choices in life.

Through achieving these aims, we will enable children to show:

- ✓ self-confidence;
- ✓ self-control;
- ✓ sensitivity, respect and consideration for others;
- ✓ a pride in themselves and their school;
- ✓ an interest in their activities;

- ✓ an independence of mind;
- ✓ a sense of fairness;
- ✓ an understanding of the need for rules;
