

Believe and Achieve

Breachwood Green Newsletter

Friday 12th February

Woo hoo...we made it!

Give yourselves a huge pat on the back because you've done it! You've spent half a term being the parent, the teacher, the cleaner, the cook, the friend, the counsellor and you've made it to the end! I'm sure you (and the rest of the family) have been through all the emotions: happiness, compassion, appreciative, melancholy, anger, frustration, anxiety, self-doubt, benevolence and ambivalence to name but a few.

Please, where you can, use this half term as a time to recharge. Stop being the teacher and take time to be the parent again. Take time to watch your child and look at how amazing they are; they are coping with something children have never had to cope with before. They are making history! Never before has learning been completed in the way it is now. We should take time to recognise this and talk to our children about the history we are all making.

Wellbeing Lead

I am extremely pleased to inform you that Mrs Bond (Class 4 teacher) is taking on the role of Wellbeing Lead in school. Her role will involve ensuring we as a school have a positive impact on children's mental health and social and emotional skills. As her first step, Mrs Bond would like every child to complete a Wellbeing questionnaire. Please follow the link attached with the email. It is also available on your child's Team posts.

I am also pleased to announce we also have a Wellbeing Governor, Mr John Palmer.

Breachwood Green Recipe Book

To try and give everyone a little focus and raise money for the school, the school council thought they would set the whole school a project to complete: a Breachwood Green recipe book!

We would like as many recipes as possible so please try to join in.

For further information, please see the attached letter. Happy Cooking!

Staying Safe in Half Term

Thank you for playing your part and helping to keep our school safe by following current Government guidelines during the national lockdown.

It's so important that we don't become complacent during half-term so we can all enjoy the break and hopefully come back to either remote, or face to face learning (for children considered vulnerable or children of critical workers) safely.

Hertfordshire County Council have asked us to share the attached leaflet with you as a reminder of what we all can and cannot do during the lockdown restrictions. Please do take the time to read it and remind your children that for now, we all have to play our part to protect ourselves, our families and our friends.

Mathletics

We will update certificates in the next newsletter after half term.

Mathletics has been set for half term so keep your points up!
